

**Live life the
Moroccan way**
— 30x30 cm —

The background image is a photograph of a long, grand hallway with a high, vaulted ceiling. The ceiling is covered in intricate, light-colored stucco or plasterwork, featuring repeating patterns of scrolls and floral motifs. The walls are also decorated with similar patterns. The floor is made of large, square tiles in a black and white checkerboard pattern. The hallway leads to a bright, arched opening at the far end. The overall lighting is soft and even.
